Chapter 1 by Dalton Baker

Donald J. Trump was a little boy living in Asshole, Arkansas, which was a small town that nobody was cool. Donald J. Trump was 15 years old and was a hobo on the side of the road. He lived in a cardboard box in which was way too small for him to fit in. He was very lonely since his parents abandoned him when he was 12. His parents named him after 2016 GOP candidate, Donald John Trump. People always made fun of him because of his name and the fact that he is a hobo on the side of the road.
